

Leeds University Union

Code of Good Practice for: Union Music Library

This document runs alongside the constitution. If you wish to raise issue with the contents of this code, please contact the committee named beneath in some circumstances it may be necessary to hold an EGM.

The Union Music Library promises to :

- Provide a clean and tidy space to browse music.
- Purchase new music in the interest of its members.
- Respect the rights of the Artist and record company
- Ensure members safety on socials and in the music library
- keep deposits in a safe place in the case of music being lost, stolen or broken.

We the undersigned agree to uphold the above code of good practise
