

Leeds University Union

Code of Good Conduct for: Leeds Wilderness Medicine Society

What members can expect of the society:

- o at least three meetings per term
- o as a group we will provide a safe and fun environment for all our members
- o as a group we will provide a variety of social activities and not enforce alcohol consumption
- o we will treat all personal details provided by our members with confidentiality
- o where possible we will make events open to all members
- o we will advertise events as far in advance as possible to give members the best opportunity to attend
- o we will provide discounts on events

What the society expects of its members:

- o members will dress appropriately for events (this may include walking/hiking boots etc)
- o members will show respect to each other and to any guests
- o members will follow safety instructions promptly
- o members under the influence of alcohol or drugs will not be allowed to partake in any activity and will face being removed from the group

We the undersigned agree to uphold the above code of good practise

President Rohan Goel
Secretary Jonathan Watmough
Treasurer Simon Biart
