

Give it a Go Sessions

A key goal on the Union's plan is Make Getting Involved Easier. This means showing our members that it is easy to get involved in activities throughout the academic year. In order to meet this goal we would like groups to run more Give it a Go sessions to promote what their group does and when it does it. To make it more attractive for groups, we have set aside funding that you can access if you run a Give it a Go session.

Funding List

Below is a set list explaining how much funding you could receive for running each type of recreational or recruitment event.

Type	Sports Clubs, Outdoor Activities, Martial Arts & Dance	Volunteering, General Interest, Media, Performing, Political & Campaigning, Faith & Culture, Departmental
Running a session	£100	£75
Bonus for getting 15 attendees who aren't already a member of your group	£150	£75

Note: There is a difference in the amount of funding available for different types of groups. This is because there is an emphasis on running recreational sessions in sport or physical activities. This is as a direct result of what members have asked for us to provide.

Conditions:

- You can only receive funding for a Give it a Go session if it's run after the 20th October.
- You can only receive funding if it has been agreed before the session is held.
- All funding will be received after the event has taken place.
- You will only receive your funding once you have returned a list of names of the people who attended the session to the ARC.
- This must be returned before the end of that term in order to receive the funding.
- You can only receive funding for one session each term.
- Funding will be put into your grant account and will be subject to the conditions of those accounts.
- You must do something out of the ordinary for your group. You cannot simply open one of your sessions. The event you run must be specifically aimed at bringing in new members or people who don't currently take part.

If you want to chat to someone about your ideas, contact your Development Co-ordinator at the ARC, or speak direct to Helen Mackay (Development Co-ordinator). Email h.mackay@leeds.ac.uk or call 0113 380 1424.
